THE ULTIMATE EXERCISE BOOK COVER

PVC JACKETS WITH PRINTED INSERTS

These durable, 80gsm tinted paper inserts are pre-printed in black with the school's choice of designs, and the school emblem and name appear on the front cover. Provision to enter learner name, grade and subject is standard on all inserts.

Book inserts fit snugly into PVC jackets (A4, A5 portrait, A5 landscape). Select the image(s) and colour(s) you prefer to differentiate between grades and / or subjects - the mix is yours. Inserts require a fitted PVC book jacket.

Actual insert dimensions:

A4 portrait = 425mm wide x 298mm high

A5 portrait = 304mm wide x 210mm high

A5 landscape = 425mm wide x 148.5mm high

COVER YOUR BOOKS IN 5 EASY STEPS

1

The school issues the learner with exercise books, jackets and printed inserts.

2

3

Learner's name and other details are entered on the pre-printed insert, which is then slipped into the jacket.

4

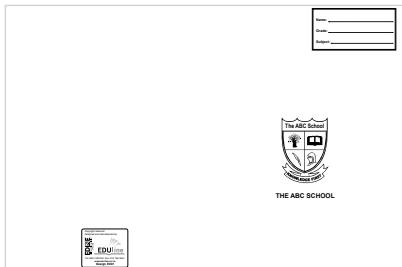

The exercise book follows the insert into the jacket.

5

Finally: Books are neat, easily identified and have a professional appearance.
